

**WORD BANK:** CLEAN, GOD, LIVING, MINDS, PURE, THINKING, THOUGHTS, WORLD

Holiness is thinking  
and living the right way  
according to God's standards.

Holiness starts in our  
minds.

You must train your  
thoughts to be holy.

Keep your mind pure and  
clean to live a holy life.

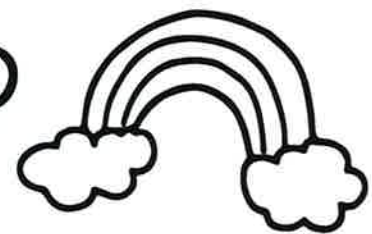

We are called to be holy because

God is a holy God.

Holy living sets us apart from  
the world.

**SOMETHING TO  
THINK ABOUT**

What are some things that keep me from living a holy life?

Who are some people who encourage me to live a holy life?
