

Have you ever wanted to give up because you couldn't do what God wanted you to do, or everyone was against you? The Devil wants you to have doubts of your goodness or ability, but don't let him keep you from trusting God and His plan for you. Being a Christian isn't always easy. Sometimes people make fun of you for the things you believe in, don't include you because of your beliefs, or try to get you to do things you know are wrong. If you haven't faced any of those things yet, be glad, but also be ready. When it comes to faithfully serving God, you will have those moments of uncertainty or insecurity. Learn the truths found in God's Word and memorize Scripture to help you in those times. Remember, you aren't alone! God is with you and His power lives inside of you. With Him on your side, you have what it takes to tackle every challenge He sets before you.
