

Father's Day Poster

Items Needed:

Downloaded letters for DAD
Posterboard
Marker
Crayons
Scissors
Glue sticks
Pictures of you and your dad
Pictures of things he likes
Construction paper (optional)

Download the letters and use the marker to write qualities about your dad that begin with the letters D and A (see below for suggestions). Color the letters and cut them out. Also, find and cut out pictures of things your dad likes or likes to do. If you want, glue them to pieces of construction paper. Glue the letters on the posterboard. Also, glue the photos of you and your dad and the pictures of things your dad likes or likes to do around the letters. Set aside to dry.
